excerpt from the general stud book vol 1 of 2 containing pedigrees of english race horses c c from the earliest accounts to the year 1831 inclusive this hint about soundness may be worth attention but for the rest with the advantages this country already possesses and so long as horse racing continues to be followed up with spirit by men of rank and opulence there can be little to apprehend to the principal breeders whose assistance has been so obligingly afforded the editor takes this opportunity of returning his sincere and grateful acknowledgments as well for past communications as in some instances for the promise of an annual list for the future from themselves or their stud grooms of all the foals they breed this he most thankft accepts as a means of facilitating any future publication and by adopting in some degree the practice of the original compiler who never suffered a day to pass without adding or correcting he hopes should he live to publish another volume the under taking may prove less laborious and the book itself be more perfect to many others besides the proprietors of studs he feels himself greatly indebted and begs them to accept his sincere thanks about the publisher forgotten

books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from the general stud book vol 18 of 18 containing pedigrees of race horses c c from the earliest accounts to the year 1896 inclusive the publishers beg to thank the breeders and other correspondents for their kind assistance and to renew their request that gentlemen as soon as this volume comes into their hands will have the further kindness to examine the accounts of their own mares and at once to give notice of any inaccuracies they may observe in order that those which are important may be publicly corrected about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

first published in 1791 the general stud book is a record of thoroughbred bloodlines containing pedigrees of more than 2 000 horses bred in Britain and imported to other countries it remains an important reference work for the history of horse racing and breeding this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the United States of America and possibly other nations within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

excerpt from the general stud book vol 1 containing pedigrees of race horses c c from the earliest accounts the substance of the following sheets was collected solely for the private amusement of the editor but it having been suggested to him by some of the most respectable names and authorities on the turf that such a book would be acceptable and might be useful he freely offers it to the public aware of the many inaccuracies to which such a work is liable both from its extent and novelty he is however proud to say that his plan has hitherto been honoured with the approbation of several of the first noblemen and gentlemen of the turf and he here begs most gratefully to acknowledge their kind assistance and communications by a further continuance of which and his own earnest endeavour he hopes at some future period to render his work more worthy of public attention about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
